### **Applicant's declaration concerning RF Radiation Exposure**

We hereby indicate that the product  
MIR009  
is considered to be a portable transceiver (body worn).

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

The appropriate information can be drawn from the test report no G0M20604-0435-P-15 and the accompanying calculations.

Company: MIR, Medical International Research  
Address: via del Maggiolino 125
