Re: Supersede request for FCC ID: **TVRDELLPZ310**; Granted on **09/26/2008**

To Whom It May Concern:

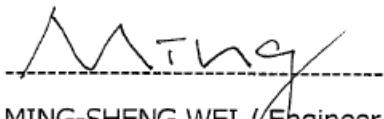

Due to the marketing schedule change, we would like to request STC on this application (done through TCB on 10/06/2008). And since actual product photo was used for identifying the label location, we would like it to be replaced by a drawing.

Accordingly, we would like to request the FCC to supersede the exhibit described as "Label Location" outlined below with a revised drawing version.
