

Declaration of Similarity
Radio, EMC, SAR, Audio (HAC)
ID-No.: S25-0116144200

We declare that the cordless handset

Gigaset R700H PRO US

is similar to the

Gigaset R700H PROTECT PRO US

The pcb layout and electrical design, the plastic housing and mechanical components are identical except the motion sensor chip is not assembled in the R700H PRO US which would not affect any of the above mentioned approval requirements.
