## Safety, warranty, and support information

### Safety information

#### Plastic bag notice

**DANGER:** Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

## General battery notice (for selected models)

#### DANGER

Batteries supplied by Lenovo for use with your product have been tested for compatibility and should only be replaced with approved parts. A battery other than the one specified by Lenovo, or a disassembled or modified battery is not covered by the warranty.

Battery abuse or mishandling can cause overheat, liquid leakage, or an explosion. To avoid possible injury, do the following:

- · Do not open, dissemble, or service any battery.
- Do not crush or puncture the battery.
- Do not short-circuit the battery, or expose it to water or other liquids.
- Keep the battery away from children.
- · Keep the battery away from fire.

Stop using the battery if it is damaged, or if you notice any discharge or the buildup of foreign materials on the battery leads.

Store the rechargeable batteries or products containing the rechargeable batteries at room temperature, charged to approximately 30% to 50% of capacity. We recommend that the batteries be charged about once per year to prevent overdischarge.

Do not put the battery in trash that is disposed of in landfills. When disposing of the battery, comply with local ordinances or regulations.

# Notice for removable rechargeable battery (for selected models)

#### DANGER:

Only recharge the battery strictly according to instructions included in the product documentation.

If the battery is incorrectly replaced, there is danger of an explosion. The battery contains a small amount of harmful substance.

# Notice for built-in rechargeable battery (for selected models)

#### DANGER:

Do not attempt to remove or replace the built-in rechargeable battery. Replacement of the battery must be done by a Lenovo-authorized repair facility, technician, or an independent qualified professional.

Only recharge the battery strictly according to instructions included in the product documentation.

The Lenovo-authorized repair facilities or technicians recycle Lenovo batteries according to local laws and regulations.

## Lithium coin-cell battery notice (for selected models)

**DANGER:** Danger of explosion if battery is incorrectly replaced.

If the coin-cell battery is not a CRU, do not attempt to replace the coin-cell battery. Replacement of the battery must be done by a Lenovo-authorized repair facility or technician.

The Lenovo-authorized repair facilities or techniclans recycle Lenovo batteries according to local laws and regulations. When replacing the lithium coin-cell battery, use only the same type or equivalent type that is recommended by the manufacturer. The battery contains lithium and can explode if not properly used, handled, or disposed of. Swallowing the lithium coin-cell battery will cause chocking or severe internal burns in just two hours and might even result in death.

Keep batteries away from children. If the lithium coincell battery is swallowed or placed inside any part of the body, seek medical care immediately.

#### Do not:

- Throw or immerse into water
- Heat to more than 100°C (212°F)
- Repair or disassemble
- · Leave in an extremely low air pressure environment
- Leave in an extremely high-temperature environment
- · Crush, puncture, cut, or incinerate

Dispose of the battery as required by local ordinances or regulations.

The following statement applies to users in the state of California. U.S.A.

California Perchlorate Information:

Products containing manganese dioxide lithium coin-cell batteries may contain perchlorate.

Perchlorate Material - special handling may apply, see https://www.dtsc.ca.gov/hazardouswaste/perchlorate

### Laser safety information

#### CAUTION:

When laser products (such as CD-ROMs, DVD drives, fiber optic devices, or transmitters) are installed, note the following:

- Do not remove the covers. Removing the covers of the laser product could result in exposure to hazardous laser radiation. There are no serviceable parts inside the device.
- Use of controls or adjustments or performance of procedures other than those specified herein might result in hazardous radiation exposure.

#### DANGER:

- Some laser products contain an embedded Class 3A or Class 3B laser diode. Note the following:
- Laser radiation when open. Do not stare into the beam, do not view directly with optical instruments, and avoid direct exposure to the beam.

#### Warranty and support information

This section shows the warranty and support information for specific countries or regions.

#### Recovery information

Your computer might not come with a Windows\* recovery disc set or USB key. To restore the Microsoft\* Windows operating system, see the recovery information in the *User Guide*.

# Compliance, recycling, and environmental information

#### Compliance information

This section shows the compliance information for specific countries or regions. The latest compliance information is available at https://www.lenovo.com/compliance.

#### Electromagnetic emission notices

This device has been tested and found to comply with the limits for a Class B digital device. The *User Guide* for this product provides the complete Class B compliance statements that are applicable to this device.

#### European Union conformity

EU contact: Lenovo (Slovakia), Landererova 12, 811 09 Bratislava, Slovakia

#### Compliance with the EMC Directive

This product is in conformity with the protection requirements of EU Council Directive 2014/30/EU on the approximation of the laws of the Member States relating to electromagnetic compatibility. The full compliance statement is located in the *User Guide*.

#### Radio frequency compliance information

Computer models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use.

#### Brazil

Este equipamento não tem direito à proteção contra interferência prejudicial e não pode causar interferência em sistemas devidamente autorizados.

This equipment is not protected against harmful interference and may not cause interference with duly authorized systems.

#### Mexico

Advertencia: En Mexico la operación de este equipo está sujeta a las siguientes dos condiciones: (f) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

#### Singapore

Complies with IMDA Standards DB102306

#### Additional compliance information Regulatory labels

Your government-required information may be provided through a physical label on the product, the product packaging, or displayed electronically on the E-label screen.

To access the E-label screen, restart the computer. When the logo screen is displayed, press F9, or tap the prompt to enter the Startup Interrupt menu and the Regulatory Information option subsequently.

#### Brazil audio notice

Ouvir sons com mais de 85 decibéis por longos períodos pode provocar danos ao sistema auditivo.

#### Taiwan vision precaution notice

使用過度恐傷害視力

(1) 使用 30 分鐘請休息 10 分鐘。

(2)未滿2歲幼兒不看螢幕,2歲以上每天看螢幕不要超過1小時。

### Recycling and environmental information

This section shows the recycling and environmental information for specific countries or regions.

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to https://www.lenovo.com/recycling.

For additional recycling and environmental statements, refer to your User Guide. The latest environmental information about our products is available at https://www.lenovo.com/ecodeclaration.

#### Important battery and WEEE information

Batteries and electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed as unsorted municipal waste. Batteries and waste of electrical and

electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of batteries and WEEE. When possible, remove and isolate batteries from WEEE prior to placing WEEE in the waste collection stream. Batteries are to be collected separately using the framework available for the return, recycling, and treatment of batteries and accumulators.

Country/region-specific information is available at https://www.lenovo.com/recycling.

#### Recycling information for Brazil

Descarte de um Produto Lenovo Fora de Uso

Equipamentos elétricos e eletrônicos não devem ser descartados em lixo comum, mas enviados à pontos de coleta, autorizados pelo fabricante do produto para que sejam encaminhados e processados por empresas especializadas no manuseio de resíduos industriais, devidamente certificadas pelos orgãos ambientais, de acordo com a legislação local.

A Lenovo possui um canal específico para auxiliá-lo no descarte desses produtos. Caso vocé possua um produto Lenovo em situação de descarte, ligue para o nosso SAC ou encaminhe um e-mail para: reciclar@lenovo.com, informando o modelo, número de série e cidade, a fim de enviarmos as instruções para o correto descarte do seu produto Lenovo.

#### Recycling information for Japan

日本でのリサイクルまたは廃棄についての詳細は、以下の URL を参照して下さい:

Recycling and disposal information for Japan is available at https://www.lenovo.com/recycling/japan.

#### Restriction of Hazardous Substances (RoHS) Directive

#### European Union RoHS

This Lenovo product, with included parts (cables, cords, and so on) meets the requirements of Directive

2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2").

For more information about Lenovo worldwide compliance on RoHS, go to https://www.lenovo.com/rohs-communication.

#### Ukraine RoHS

Цим підтверджуємо, що продукція Леново відповідає вимогам нормативних актів України, які обмежують вміст небезпечних речовин

#### Turkish WEEE / RoHS

AEEE Yönetmeliğine Uygundur.

#### 台灣 RoHS

所有 Lenovo 產品均滿足台灣 RoHS 要求。請參閱使用手冊以取得詳細的 RoHS 資訊。若要查閱使用手冊,請造訪「取得支援」
