

Global Product Compliance Engineering & Environmental Affairs

Federal Communications Commission

Office of Engineering and Technology
Equipment Authorization and Evaluation Division
7345 Oakland Mills Road
Columbia, Maryland 21046

ATTN: Reviewing Engineer

FCC ID: TX2-RTL8852BE

Specific Platform(s): P165G

Brand: Dell

Per section 2.911(d)(7) of the FCC rules, RealTek Semiconductor Corp. ("the applicant") certifies that the equipment for which authorization is sought is designating the following U.S. contact to act as our agent for the service of the authorization process:

Company Name: Dell

Physical U.S. Address: One Dell Way Round Rock, TX 78682; USA

Agent name: Don Bobo

Agent Email Address: don_bobo@dell.com

As of the date of the filing of the application, Dell accepts the obligation of the designated U.S. agent for the service of process related to the FCC ID and associated platforms referenced above.

The applicant agrees to maintain this designation for no less than one year after the grantee has terminated all marketing and importation or upon the conclusion of any Commission-related proceedings involving the referenced equipment and associated FCC ID.
