RE: Intended Application of FCC ID to Equipment

To whom it may concern,

In response to e-mail advice received from Ms Linda Elliott dated 15/02/2006 I have posted a new exhibit type 'ID Label/Location Info' for consideration as part of our application. This new file ('MT401-401FF FCC_ID Placement(Version2).pdf') nows show the complete FCC ID information and its intended location on the equipment.

Further I wish to confirm that all outstanding filing fees have been payed in full (Remittance ID:874536, Authorisation Number R16735)

Yours faithfully

Craig Duncan
