Dear Examiner,

This is to request a Class II permissive change for Farebox FBE420, FCC ID: U36-FBE420, originally granted on May 30th, 2008.

The major changes on this Farebox are:

- suppression of the maintenance door,

The radio part is identical. However, FCC Part 15.225 tests have been made on the product (see R041-10-100039-1A test report).

If you have any questions, please do not hesitate to contact us at +33 4 75 81 44 44.

Sincerely yours,

Eliane DEJOUX
