To Whom It May Concern:

The antenna specification, ANT-DBI-RAF-RPS-ND-xxx_tilt.pdf, list two antenna products: one with SMA connector and a second with Reverse Polarization SMA. Per FCC regulations the SCM product uses the Reverse Polarization SMA connector on the electronic board and the antenna utilized is the corresponding RP-SMA connector type with a part number of ANT-DBI-RAF-RPS.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. E. Lucas'.

Thomas E. Lucas
