Ref: Change of FCC ID

To whom it may concern,

I am writing this letter to request a change of the FCC ID on our remote control device, the ORIGINAL FCC ID was U42MULTICODETR002 and the REVISED FCC ID IS U42RM83002009.

There is no difference between the original and the revised device, the only difference is the FCC ID. The reason of our request is our original FCC ID is containing a trade mark of another U.S. company. To avoid future conflict with that company, I would like to change our FCC ID.

Our current Grantee Code is GC238766

Our FRN is 0016188468

Thanks for your help in advance.

Best regards,
