

## Request for confidentiality

CONFIDENTIALITY REQUEST FOR, FCC ID: U4G004W

To Whom It May Concern:

This letter serves as an official request for confidentiality under Rule Section §0.459 and 0.457(d). We requested the following documents to be held confidential:

- Parts list
- Block diagrams
- Schematics

The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business. Also, in accordance with FCC Public DA 04-1705, we request short-term confidentiality for 180 days for exhibits:

- Internal Photographs
- Test Setup Photos

These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace. Do not hesitate to contact me if you have any additional questions.
