<b>Model</b>	Falcon 4410 and Falcon 4420 w/ Summit/BG Radios
<b>FCC ID</b>	U4SRSB
<b>Agent</b>	Northwest EMC, Inc.
<b>Approval Type</b>	Original
<b>Equipment Class</b>	DTS Digital Transmission System
<b>Rule Part</b>	15C (15.247)

**Overview**

This application is for the certification of Datalogic's Portable Data Terminal, M/N: Falcon 4410 or Falcon 4420, FCC ID: U4SRSB. It includes two previously certified radios, the BlueGiga WT12-A Bluetooth radio and the Summit Data Communications SDC-CF10G 802.11 radio (original FCC IDs: QQQWT12 and TWG-SDCCF10G, respectively). Both radios operate in the 2.4 – 2.4835 GHz frequency range.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
