Dear Sharon,

Please accept this request for a Change in FCC ID for the previously approved FCC ID: PT9SDU-2000. Tekk International Inc. wishes to market the product under our own company name.

We hereby state that the original FCC ID is PT9SDU-2000 granted 01/17/2002 to TecNet Global Corporation and sold under that name. The equipment bearing the modified identification is identical to the original equipment and all original test results are representative and applicable to the equipment bearing the changed identification.

Sincerely,

President
