Dear Harvey Sung,

You are listed as the Technical Contact for the above referenced TCB application. The following item(s) need(s) to be resolved before the review can be continued:

The Manual indicates that this device is Bluetooth 2.0 Stereo capable (in 2 locations), but the chip datasheet indicates it is Bluetooth 1.2. Please clarify the capabilities of this device and ensure it is compliant with the FCC requirements in all modes of operation.

Also, the FCC Logo has been used on the regulatory compliance page of the manual, but this should be reserved for FCC Doc Compliant product labeling.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Best regards,

Chris Harvey
