>> Hi Mr. Lee:

>>  
>> Q#1: This application included two models as AL320AV and HL-3210V. Please advise the difference of them.  
-> The model will difference between buyer's request.

>>  
>> Q#2: The FCC ID: U6DAL260V1 and model: AL260V1 indicated on page 2 of label format are different from the application form and other submitted exhibits. Please confirm which one is correct and do the proper correction as well.  
-> Please check the attachment. ATT.A label.pdf.

>>  
>> Q#3: The rating indicated on the label is 120W which is different from test report and user manual. Please do the proper correction to consist with all other application documents.  
-> Please check the attachment. ATT.A label.pdf.

>>  
>> Q#4: Page 13 of user manual indicated LCD monitor may have 2 types of configuration. Please confirm which type that AL320AV and HL-3210V are.  
-> The manual for LCD and PDP. It means Type 1 is PDP and Type 2 is LCD. So you should check only the Type 2.

>>  
>> Best Regards,
