Request for Confidentiality  
FCC ID: U7C-83-005001

Please be advised that the following information on the Tire Pressure Stem Handheld Reader is to be held confidential on behalf of ELDEC Corporation:

1. Schematics
2. Block Diagrams
3. Theory of Operation

The above information is confidential to ELDEC Corporation and took considerable time, effort, and expertise to develop. If the information were available to other potential competing companies, they could forgo most of the development time and expense, providing them with a potentially damaging and unfair competitive advantage.
