Request for Confidentiality**

Gentlemen :

In accordance with 0.457 and 0.459 of CFR 47, **GS Instruments Co., Ltd.** Here by requests confidentiality of the **Schematics, Block diagram, Part list and Operational description** of the attached test report.

These documents contain detailed system and equipment description and related information about the product which **GS Instruments Co., Ltd.** Considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **GS Instruments Co., Ltd.** Considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

*Jong il Lee*
