

Test Setup Photographs

Conducted Emission

Test Mode:	Mode 1
Description:	Front View
	 A photograph showing the front view of a test setup. A white rectangular table with a marbled pattern is positioned in front of a large, light-colored metal cabinet with vertical panels. On the table, there is a small electronic device with two black antennae and a power adapter. To the left of the table, a metal cart is partially visible. The background is a plain, light-colored wall.
Description:	Back View
	 A photograph showing the back view of the test setup. The white rectangular table is shown from behind, with its edge and some markings visible. A black electronic device with two black antennae is placed on the table. A power adapter is also connected to the device. A metal cart is visible to the left. In the background, there is a metal frame structure and a wall with a grid pattern. The floor is concrete.
