

## Test Setup Photographs

### Conducted Emission

Test Mode:	Mode 1
Description:	Front View
	 A photograph showing a white rectangular table in a room with light-colored walls. On the table, there is a small electronic device in a yellow and black protective case, a white cylindrical object, and a small black device. The table is positioned in front of a wall with vertical panels.
Description:	Back View
	 A photograph showing the same white rectangular table from a different angle, likely the back. The table is positioned against a wall with vertical panels. A metal frame structure is visible behind the table, and some equipment and cables are visible on the floor and under the table.
