Dear Application Examiner:

Awarepoint Corporation is submitting this application for the certification of their Model RM1, FCC ID: UAG-RM1. They are seeking a full modular approval under FCC 15.247. A separate letter describing compliance with the modular approval requirements of 15.212 is included with this filing.

The radio utilizes a single integral chip antenna soldered to the printed circuit board. This configuration satisfies the requirements of 47 CFR 15.203.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.247 as a DTS transmitter.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

Brian Lee
