

**Federal Communications Commission
Authorization and Evaluation Division**

Date: March 28 2025

**Ref: Attestation Statements Part 2.911(d)(7) Filing
FCC ID: UAU-WLAP**

Integrated Control Technology (“the applicant”) certifies that, as of the date of the filing of the application, Integrated Control Technology (USA) LLC is our designated U.S. agent for service of process for the above referenced FCC ID.

Integrated Control Technology accepts to maintain an agent for no less than one year after the grantee has terminated all marketing and importation or the conclusion of any Commission-related proceeding involving the equipment.

Integrated Control Technology (USA) LLC accepts, as of the date of the filing of the application, the obligation of the designated U.S. agent for service of process for the above referenced FCC ID.

Integrated Control Technology (USA) LLC does not require an FCC FRN as they do no other business with the FCC other than being designated as a US Agent of process.

Designated U.S. Agent Information:

Name: Integrated Control Technology (USA) LLC

Address: 6281 S Racine Cir, STE 200, Centennial, CO 80111

Contact Person: Damon Standish

Sincerely,

[Insert applicant company name]	[Insert US Agent company name]
Steven Whitaker	Damon Standish
(Applicant signature) 	(US Agent signature) 
Applicant FCC FRN: 0015106453	US Agent FCC FRN: 0034068650

Note: U.S. Agent for Service of Process Attestation: Per KDB 986446 Item 18 “If the agent for service of process does business with the FCC, it should have an FRN, and that FRN is required to be included on the attachment/certification letter designating the agent for service of process. If the agent for service of process does no business with the FCC other than being designated as an U.S agent for service of process, a separate FRN is not

required; in such case, only the grantee's FRN is required to be included on the attachment/certification letter designating the U.S. agent for service of process."
