Attachments: RF Module schematics.pdf; SZ080202B01-RP_0319.pdf; UserManual_revised 01.pdf

Dear Lucy,
Good day!

The attached are the three documents for the RF Module schematics , user mauna and test report.

By the way, I would like to know the status of AN08T7716.

2008/3/18, Lucy Tsai <lucy.tsai@ccsemc.com>:
Hi Aven,

Please address following issues.

Q#1: Please provide an updated user manual to include 15.19, 15.21 and 15.105 statement and user information.

Q#2: The schematic provided doesn't include RF portion. Please provide.

Q#3: The fundamental and some harmonics test result in test report are incorrect. Please check if the calculation formula is correct and do the necessary revise.

Hi Miro,

Again, please help to check if Aven has receive the email and forward to her if necessary, thank you.

Best Regards,

Lucy

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
