Request for Long-Term Confidentiality

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this application as outlined below:

1. Block diagram
2. Schematics
3. Operation Description
4. User Manual
5. Internal Photos

The above materials contain trade secrets and proprietary information not customarily released to the public, and the release of the internal photos to the public is prone to disclosing trade secrets (circuit design and components usage) and proprietary design information of Altai.

The product should be installed by trained technical personnel (i.e. non-consumer device) at roof-top/antenna tower which is inaccessible to the general public.

The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

Sincerely,

Lawrence Leung
