Re: Label Material

Gentlemen:

This letter describes the material that made up the label used on FCC ID UCP727-0083 manufactured by Unisen Inc. dba Star Trac.

Material: 3M #7866 gloss white polyester tamper proof of 50 microns in thickness

Adhesive: #300 hi-strength acrylic of 25 microns in thickness

Dimension: 45mm Length x 20mm Width

Further detail description of the label above could be referenced by following the link:
