

Worldwide Regulatory Approvals Experts

June 29, 2006

Certification Department,

Attached is an application for a grant transfer from the Dynastream Innovations Bike Speed Monitor (FCC ID O6RBKM-A) to Unisen Inc. (FCC ID UCP727-0083), originally granted on June 12, 2006. The same process is being requested for the Industry Canada certification: Dynastream's IC: 3797A-BKMA to Unisen (IC: 6578A-7270083). The only change to the device is the plastic enclosure, therefore the original test results are still applicable to the new grant application. Please find attached the original test report along with the original technical exhibits used in Dynastream's application. Unisen's FRN is 0015168529.

Cordially,

A handwritten signature in black ink, appearing to read "Evan Gould", is written over a horizontal line.

Evan Gould
EMC Engineer.
