

IEEE 802.11g Wireless Access Point

MODEL: ZG-7600H

POWER: DC12V

CE 0678

FC Tested To Comply
With FCC Standards
FOR Outdoor USE

FCC ID: UDKZG7600HPAH

This device complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference,
and (2) this device must accept any interference
received, including interference that may cause
undesired operation.
