Dear Application Examiner:

Please accept this cover letter as DRS Tactical Systems, Inc. request for a change in Identification of equipment per FCC Rule 2.933 (b). The device in question is a Micro Star International Bluetooth module (M/N: GUBTCR42M) which DRS Tactical systems would like to use in one of its products. In obtaining this new FCC ID number, DRS would like to take responsibility of the device as used in its application.

Listed below are the requirements that are mandated by FCC rule 2.933 (b):

1. The original FCC ID number of the Micro Star International Bluetooth module is FCC ID: I4L-MS6837D
2. The date of the original grant was 5-14-2006.
3. No Modifications were done to the original module
4. The device has been successfully tested in its DRS intended application by independent test labs (Celltech Labs and TIMCO Engineering).

DRS requested that the new FCC ID number be UGL980026000BT.

Thanks you for your consideration in this matter. If you have any questions regarding the above, please contact me at Abelardinelli@DRS-TS.com or by telephone at (321) 727-3672 ext. 3022.

Regards,

Alex Belardinelli
Sr. Test Engineer
