Dear Application Examiner:

While researching material to support Dynamic Frequency Selection Testing (DFS) testing on the ARMOR X10 Tablet PC I found the following FCC ID number to contain the same Model WM3945ABG as what is used in our Tablet PC.

FCC ID: JYV-V5W1BBHA.

Thanks you for your consideration in this matter. If you have any questions regarding the above, please contact me at [Abelardinelli@DRS-TS.com](mailto:Abelardinelli@DRS-TS.com) or by telephone at (321) 727-3672 ext. 3022.

Regards,

Alex Belardinelli
