DOCUMENT CHANGE HISTORY

Version	Date	Person	Remarks
V1.0	2006-05-16	Sunxuefeng	First release

1. Product Features:

Compatible Bluetooth Specification V2.0+EDR

Operating Frequency Band: 2.4GHz ~ 2.48GHz unlicensed ISM band

Class 2 Output Power

Support Profiles: Headset profileand Hands Free profiles.

Support Multiple paired. (Up to 8 Bluetooth Phone can be paired).

Battery type: Rechargeable Lithium Polymer, DC 3.7V, 230mAH

Talk time: 15~16hours

Standby time: 250hours

Charger time: 2~3hours

Size: 39mm(L)*21mm(W)*12mm(H)

Weight: 18g.

2. Appearance:

3. Button Functionality:

Buttons	Functions Description
"MFB" Button	Power ON/OFF
	Pairing
	Answer Call
	End/Cancel Call
	Voice Dial
	Reject Call
	Last No. Redial
Passkey Code	0000

4. Operation Procedure:

Charging Your Headset:

The Bluetooth headset comes with a built-in rechargeable battery. Prior to using the headset, it is recommendable to charge the battery fully for the first time. Normal fully charger time is 2 hours Connect the charger to an AC wall outlet and the charge plug to headset charging socket. After completion of charge, please remove the chargers from headset and outlet.

(1) Charging indication will be delayed for a few minutes if the headset has not been used for a long time or the battery is drained.

(2) When battery becomes low, LED will flash red every 3 seconds. Please recharge the battery as described above. To prolong durability of battery, it's recommended to charge the headset whenever low battery is encountered. Under low battery condition, if headset is continuously used, it'll decrease durability of battery, as well as standby time, and cause longer charge time than normal 2 hrs.

(3) The red LED will flash on while charging and flash off when charging is completed.

Power ON：

Under idle stage Press and hold the MFB for 3 seconds until you hear a short beep.
The blue LED will flash on 1 second.

Power OFF：

Press and hold the MFB for 5 seconds until you hear a long beep.
The red LED will flash on 1 second. Headset will be off. The LED will stop flashing.

Pairing your Headset
