Dear Helen,
Ans#1: Pls find the clear schematics as attachment.
Ans#2: The USB port connect with an adaptor for charge.

Best Regards,

lirs Lin

Question #1: Please resubmit a clear and readable schematic diagram

Question #2: Please explain what's the function of the USB port. If the device has data transmission function with CPU of PC, then you may need to add FCC DoC logo on the label format, please also add 15.105(b) statement into the user manual.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
