Subject: Permissive change, FCC ID UIPSQ215M141

Dear Sir/Madam,

The enclosed documents constitute a formal submittal and application for a Class II Permissive change pursuant to Parts 90 of the FCC's rules contained in CFR 47 for the subject device.

The scope of the permissive change is to add:

- 220-222 MHz bands for part 90.

This is accomplished via software to change the tuned frequency of the radio.

If you have any queries, please do not hesitate to contact me at the details below.

For and on behalf of
