Subject: Permissive change, FCC ID UIPSQ928M141

Dear Sir/Madam,

The enclosed documents constitute a formal submittal and application for a Class II Permissive change pursuant to Parts 24 and 90 of the FCC's rules contained in CFR 47 for the subject device.

The scope of the permissive change is to add:

- 896-901 and 935-940 MHz bands for part 90.
- 901-902 MHz band for part 24.

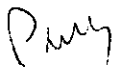

This is accomplished via software to change the tuned frequency of the radio.

If you have any queries, please do not hesitate to contact me at the details below.

For and on behalf of

4RF Limited

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul Young'.
