Idesco Oy ("the applicant") certifies:

- the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.
- as of the date of the filing of the application, the applicant is not identified on the Covered list, established pursuant to §1.50002, as an entity producing "covered" equipment.
- the software to be loaded prior to marketing of the equipment identified above is not "covered" software manufactured by any entity including predecessors, successors, parents, subsidiaries, affiliates or any entity which has rebranded or relabeled the software produced by the entity(ies) identified on the "Covered List".
- the device is not capable of storing or running software listed on the covered list because the device does not have enough RAM, and the processor speed is not fast enough, and therefore is inherently compliant.
