Subject: Test Report Review Confirmation  
FCC ID: UK2-SIL-SK63100

To Whom It May Concern,

This letter is to confirm that Silicon Image has reviewed the RF Test Reports for FCC ID: UK2-SIL-SK63100 dated as of 5/25/2012. We declare that the output power levels in this report accurately represent the characteristics of all devices manufactured under this FCC ID.

The current listing and Grant erroneously shows the output power results from the 5/3/12 report instead of the correct powers from the revised 5/25/12 report. Please correct the Original Grant to the applicable powers as documented in the 5/25/12 report.
