This equipment contains several markings to ensure traceability and fulfilment of the marking requirements established by international regulations.

In this product, the marking information is divided into three categories: trademark, CE type and label.

1 WRD0MK

Trademark

The manufacturer's name, SALTO, is marked at the top plastic cover. The trademark is visible to the final user.

CE type

The CE type reference of this equipment is P1620 and it is marked on the bottom edge of the external plastic enclosure.

It is visible even after installation allowing the identification of the product when it is installed as intended. This item number is also used as an identifier on the EU Declaration of Conformity. Together with the electronic model (marked on the label) is used for the traceability of the equipment.

Label

The label is located on the backside of the reader. The label contains the following information:
