## **Antenna Installation Instructions**

Product: Gateway  
FCC ID: UL3G100A

### Overview

This document provides the gain specifications for the antennas approved for use with the RFind Gateway.

### Antennas

Antenna Type	Manufacturer	Mfr PN	Gain
Omni-directional dipole	Mobile Mark	PSKN3-925S	2.2 dBi
Patch	Mobile Mark	BP6-915S	5.5 dBi

This device is authorized for use with the antennas listed above and any antenna that is of the same type and of equal or less directional gain with similar in-band and out-of-band radiation patterns.
