Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

**SUBJECT: Notice of Professional Installation**

Reference: FCC ID: UL3G100A

To Whom It May Concern:

Further to the device approval identified at Reference, RFind Systems hereby requests certification of our Gateway RFID reader utilizing a SMA connector, permitted under the requirement for professional installation of this device.

The Gateway is an industrial electronic RFID device, for exclusive use by commercial and industrial customers, as part of a larger, sophisticated RF tag identification system. It is to be used in commercial and industrial manufacturing, storage, and distribution facilities.

Advertising for this product is limited to industry trade shows, trade journals and through RFind Systems' website. Distribution takes place through our VAR (value added reseller) program.

If you have any questions or concerns, please do not hesitate to contact me at (250) 862-3412

Yours truly,  
**RFind Systems, Inc.**
