Subject: Supersede of Test Report for FCC ID: UNYEWPT202

Bay Area Compliance Laboratories would like to request supersede of the test report exhibit for of FCC ID: UNYEWPT202 on behalf of their customer K&J Electronics. The reason for this supersede is that the company address on the cover page of the report was incorrect. Test report Rev.1-a has been uploaded to the FCC. We have instituted a more thorough report review checklist to reduce the possibility of this occurrence in the future.

If there are any questions or concerns in this matter please feel free to contact us, thank you.

Best Regards,
