Gentlemen:

The 731 form and application have been electronically submitted and any attachments will be up loaded to your web site to be used in obtaining a Grant of Certification for a Class 2 Permissible Change. A new antenna design has been tested and found to comply with the requirements of CFR47 paragraph 15. The equipment change procedures of CFR47 paragraph 2 allow the modification upon Grant of Certification approval. Please review the submitted information for the Class 2 permissible change and begin the Grant of Certification process.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads 'Scot Rogers'.
