

Enclosed is an application for a Class II Permissive Change to FCC ID: UQY-HF1000A. The original Grant of Authorization is a Limited Modular Approval of a device which may be installed in any of the host chassis listed in the original application. The originally approved host models were: HF1000, HFH1000, and HFS1000. This Permissive Change adds two new host models:

HFT1500 Table Top
HFM1500 Mobile Cart
