

Dear Sir or Madam:

Because of ignorance of confidentiality, we hadn't asked for this service until we found the secret papers was available for public in recent days.

We declare that we bear all aftereffects for the grant (FCC ID: URP-MSR4000) issued on October 10, 2007 because of non-confidentiality.

To avoid farther spread, we hope that the confidentiality be put into effect as soon as possible.

Thanks a lot!
