Dear Sir/Madam,

Re: Project and Product Audit Mode/ Certification Representative Authorization Letter

We, Rayawave Inc. hereby authorize Bay Area Compliance Laboratories Corp. to place FCC ID: USPAB701000, TC329465 submission into Audit Mode and to act as an agent for form 731 revision for the following project:

Rayawave Inc. FCC ID: USPAB701000 Millimeter Wave Radio Communications System

The purpose of this Audit is to revise the emission designator that was submitted with the original Permissive Change I (change of ID submission) and Grant Note section due to revisions made to their OEM's reference submission.

We affirm that between BACL, Rayawave Inc. and their OEM, any difference in understanding, including test plan, measurement methods, applicable standards and relevant procedures and processes have been resolved prior to commencement of testing activities.

We also hereby authorize Tian Wang-Méndez to act as Agent on our behalf in all matters relating to said submission audit wherein Bay Area Compliance Corp., will act as a Certification Body for the purpose of performing product certification and related services for the above listed project(s).

Sincerely,
