

Engineering and Testing for EMC and Safety Compliance

Accredited under NVLAP Lab Code 200061-0

July 25, 2007

Federal Communications Commission  
Equipment Authorization Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

To Whom It May Concern:

Airorlite Communications, Inc. is requesting a change in identification for FCC ID# UT650289BA8480UL, granted July 21, 2007. The new FCC ID# requested is UT650289BA8480DL.

Per Airorlite Communications, the equipment with the modified ID is not different than the equipment with the original ID. The original test results continue to be representative of, and applicable to, the equipment bearing the modified ID.

An external photograph exhibit and a sample ID label & location exhibit support this change in ID application.
