**FCC 47 CFR Part 22/24**  
**Short Term Confidentiality Request**

Ladies and Gentlemen:

This is to request short term confidentiality in connection with the above-referenced application for equipment authorization. The information for which short term confidentiality is requested is contained in the following documents submitted as exhibits with the application:

Users Manual;  
Part 22\_24 Test Setup Photo;  
Internal Photos;  
External Photos; and  
SAR Test Setup Photos.

Short term confidentiality is requested for a period of 45 days from the grant of the application, subject to extension as noted in the Commission's Public Notice of June 15, 2004 (DA 04-1705).

The information contained in the exhibits described above would be of great value to our competitors if discovered prior to public disclosure of the product covered by the application. As such, premature disclosure could cause financial harm to us by allowing others to alter their own product plans and announcements to our detriment.

Respectfully,

Stephanie Burns  
President, Payne LLC
