Viareggio      May 13th, 2014

Attn: Reviewing Engineer  
Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Object:            Justification for professional installation of R4300P - ION - RFID UHF Portal  
Reader and R4300PXGPRS - ION - RFID UHF Portal reader with GPRS

FCC ID:           UVECAENRFID008

We hereby declare:

- Both versions of the product requires professional installation since it is necessary to set the proper maximum RF output power of RFID ports in order to comply with 15.247(b)(4) radiated power limit depending on the insertion loss of the cable used to connect the product to the approved antenna (CAEN RFID mod. WANTENNAX005) that has a standard type N connector and 8dBic gain.
- The device cannot be sold retail, to the general public or by mail order. It will be sold to dealers only.
- The installation will be controlled and the devices will be installed by licensed professionals.
- The intended use is generally not for the general public. It is generally for industry/commercial use.

Sincerely

Adriano Bigongiari  
Chief Operating Officer  
CAEN RFID srl
