Label On The End Product

The final end product must be labeled in a visible area with the following „Contains FCC ID: UWT-X52-N“ If the size of the end product is larger than 8 x 10 cm, then the following FCC part 15.19 statement has to be available on the label:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.
