To whom it may concern:

Central Research Technology Co. is Maxitrol's authorized test facility and as such will represent Maxitrol Company only in matters dealing with the FCC in regards to the R300 Series hereafter referred to as "product" certification.

I, the undersigned, hereby authorize Central Research Technology Co. and hereafter referred to as CRC Lab to submit all applicable documents on our behalf matters relating to application for equipment authorization, including signing of documents relating to the application. Documents directly related to the product application for equipment authorization submitted by Central Research Technology Co. on our behalf shall have the same effect as acts of our own.

I, the undersigned, hereby certify that we are not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing CRC Lab as Maxitrol's representative, we understand that we are responsible to:

- a) comply with the relevant provisions of the certification program as specified by the FCC.
- b) make all necessary arrangements for the conduct of the evaluation, including provision for examining documentation and access to all areas, records (including internal audit reports) and personnel for the purposes of evaluation (e.g. testing, inspection, assessment, surveillance, reassessment) and resolution of complaints;
- c) make claims regarding certification only in respect of the scope for which certification has been granted;

- d) do not use FCC product certification in such a manner as to bring the FCC Certification Division into disrepute and not make any statement regarding the product certification which the FCC Certification Division may consider misleading or unauthorized;
- e) upon suspension or cancellation of certification, discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the FCC Certification Division to the appropriate parties;
- f) use FCC certification only to indicate the products are certified as being in conformity with specified standards;
- g) endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- h) ensure that any reference to FCC product certification in communication media such as documents, brochures or advertising, complies with the requirements of the FCC Certification Division;
- i) keep a record of all complaints made known to either party relating to the product's compliance with requirements of the relevant standard and to make these records available to the FCC Certification Division when requested;
- j) take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for FCC certification;
- k) document the actions taken.

This authorization is valid until further written notice from the applicant.

Sincerely Yours,

Daniel Perz
