RE: IRIS CORPORATION BERHAD

FCC ID: UY9AXESSXY00

I have a few comments on this application. Depending on your responses, kindly understand there may be additional comments.

1. The calibration period for the measurement instrument shown at page 36 has been over 1 year.
2. The FCC rule part shown at 4.(b) of the application form should be 15.225 for this device. Please correct it.
3. FYI: It is not required to fill in the data at 6.(b),(c),(d),(e) of the application form.

Chief Technical Officer - Asia

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
