

1. External Photograph of EUT

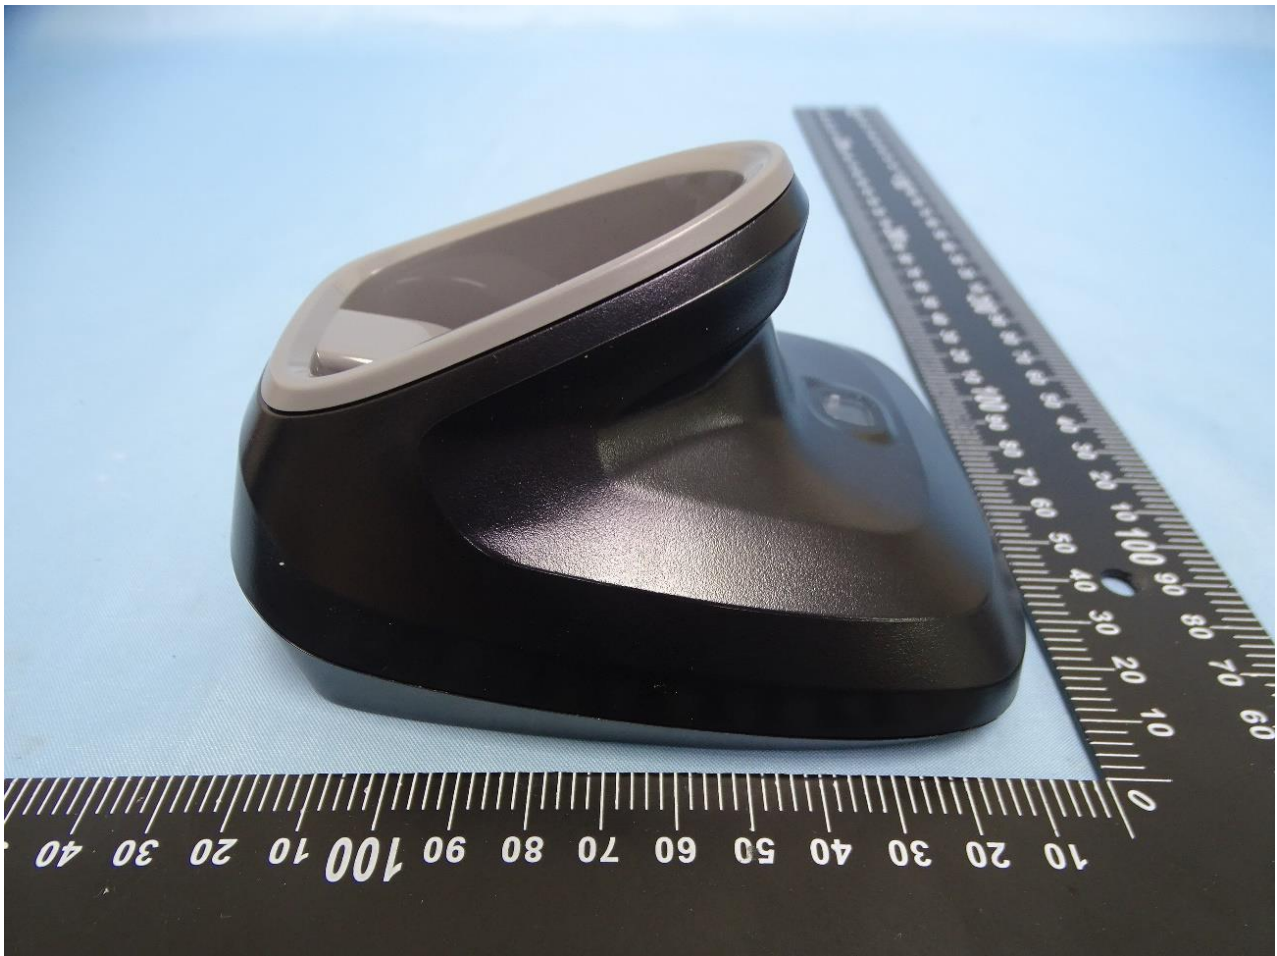

Brand Name: Zebra / Model Name: CR2278A

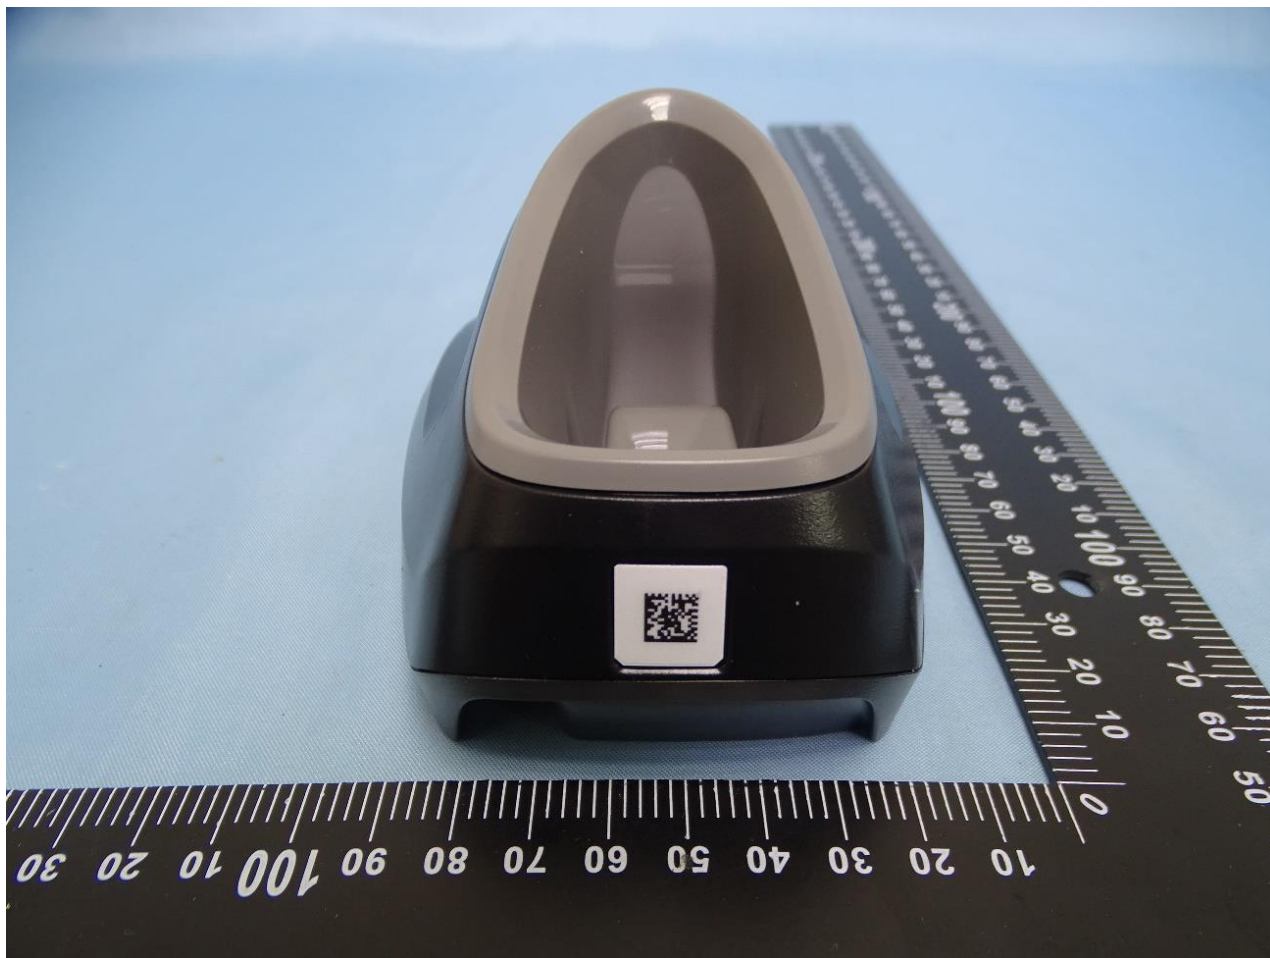

A photograph of the back of a Zebra CR2278A handheld device. The device is black and has a rectangular shape with rounded corners. A large, light-colored battery cover is visible on the back. A ruler is placed horizontally below the device, showing measurements in inches and centimeters. The ruler is marked from 0 to 10 inches and 0 to 30 centimeters. The device is positioned such that its width is approximately 10 inches and its height is approximately 4 inches. The battery cover has a large, light-colored rectangular area in the center, which is the battery compartment. There are several screws and a small circular port visible on the back of the device. The Zebra logo and model number are printed on the bottom of the device. The background is a plain, light-colored surface.

2. Photograph of Accessory

Brand Name: Zebra / Model Name: CR2278A
