**Request for Class II Permissive Change**

Applicant : GT Telecom Co.,Ltd.  
Type of Product : Bluetooth Stereo Earset  
Model Name : GBH-S3100  
Add Model Name : GBH-S3300, GBH-S3400, GBH-S3500, Byron BT  
FCC ID : UZCGBH-S3100

Before	After
Model: GBH-S3100 Add Model: GBH-S3300, GBH-S3400, GBH-S3500	Model: GBH-S3100 Add Model: GBH-S3300, GBH-S3400, GBH-S3500, Byron BT

All the above model has same controller including circuit but its shape of earphone is different from each other. It doesn't differ with electric and circuit. "Byron BT" model was added in previous models.

Therefore we request C2PC procedure because of these differences about added model(Byron BT).

Sincerely,

---
