

LigoWave LLC

Date: 2015-09-02

To whom it concerns ,

We **LigoWave LLC** state that our product, **Broadband Digital Transmission System**, Model: **LigoDLB Propeller 5**, is a point to point operation device only, and does not support point-to-multipoint operations. This device shall be installed by professional installer.

Yours sincerely,

Signature.

A handwritten signature in black ink, appearing to read "L. W. Ch", with a long horizontal flourish extending to the right.
